CAMPS

The undersigned camper ("Camper") and parent/legal guardian ("Parent") (collectively, "We") acknowledge and agree to the following:

Swimming

Passport to Summer Day Camps include daily swimming. Parents are solely responsible for knowing Camper's swimming abilities and providing personal flotation devices if necessary. Regardless of swimming ability, any Camper age 6 or younger must bring appropriate personal flotation devices in the form of a life jacket and/or "water wings." Failure to comply will result in Camper's inability to participate in daily swimming lessons/activities.

Passport to Summer Camp Expectations

Campers and Parents are expected to treat all other Campers with kindness, respect, and compassion; respect the Passport to Summer staff; abide by the requests and directives from the Passport to Summer staff; and respect the buildings and grounds of Villa Duchesne and Oak Hill School. The School reserves the right to dismiss Campers at the sole discretion of the Director of Summer Programs if it is determined that continued enrollment is no longer in the best interest of the Camper or Passport to Summer. Dismissal will not release or reduce camp fees.

Waiver and Release

In consideration of the School allowing the Camper to participate in these Camps and Trips, We do for ourselves, our heirs, our executors, personal representatives, successors, and assigns, release, waive, discharge, covenant not to sue, and agree to indemnify and hold harmless the School and its chaperones, officers, trustees, faculty, staff, representatives, employees, agents, attorneys, successors, and assigns ("Released Parties") of and from any and all actions, causes of action, claims, demands, damages, costs, loss of services, expenses and compensation arising out of, on account of, related to, or in any way connected with the Camper's participation in the Activity, including the Released Parties' own negligence.

Acceptance of this waiver does not relieve the School of its obligation to ensure reasonable supervision of all Campers during the time the Campers are under its care.

For good and valuable consideration, the sufficiency of which is hereby acknowledged, We, the undersigned, grant the School the right to publish, reproduce, and display photographic images, video images, and/or audio recordings of the Camper for use in all media, electronic or otherwise, in connection with publications, advertisements and/or webpages of the School. We understand the School may or may not associate the photographic image, video image, or audio recording with the name and/or other biographical information of the Camper. We further acknowledge and agree that We shall have no ownership interest in any informational or advertising material which utilizes, incorporates, or consists of the photographic images, video images, and/or audio recordings or in any copyright embodied therein.
