Welcome to the Golden Jubilee

Dear Faithful Friends of Villa and Oak Hill,

For 50 years, we have gathered to support this transformative experience we call a Sacred Heart education.

For 50 years, we have gathered with friends to celebrate and bid so that our children can have the best and our children's children can be the beneficiaries of your deep and abiding generosity.

For 50 years, we have built upon this legacy and tonight should be one for the ages!

Let's break records and have a fantastic time. The 50th only comes once, so let's not disappoint, but let's inspire those who will celebrate the next jubilee to give their best because we have given our very best!

Golden Jubilees are to be anticipated, celebrated, and remembered. Let's make this night one to remember!

Enjoy the night and thank you for all that you do to ensure our strong and vibrant future!

Welcome to the 50th Annual Villa Duchesne and Oak Hill Auction–Our Golden Jubilee!

For 50 years, we have gathered as a community of parents, faculty and staff, alumni, and friends to celebrate our wonderful School and support Sacred Heart education.

The strength of our school community has been evident throughout the pandemic, and we are thrilled to return to an in-person auction. We cannot wait to share this memorable evening with you as this event is vital to our School's success. Whether you are joining us in-person or remotely, please know that your support and love of our School is appreciated and recognized.

As chairs of the auction, we have had the pleasure of witnessing first-hand the generosity of our community. It is apparent that each of you truly cares about our students and School, and we are perpetually grateful to you. Your partnership with us makes our mission achievable.

We would also like to extend our thanks to the incredible committees and volunteers whose generosity and tireless efforts make this night possible.

Thank you in advance for your support as we celebrate 50 years of the Bonne Chance Auction. We are proud to represent our School and have reaffirmed that VDOH is a very special place and one of the finest schools in the St. Louis area.

Now, let's celebrate our Golden Jubilee and raise a glass to 50 more!

Blessings,

CHILDREN'S CHALLENGE

The Children's Challenge: Child's Play

Villa Duchesne and Oak Hill School educates our students in mind, body, and soul. We are so much more than just great academics. In our world today, children need time to play, relax, and engage outside of the classroom. We strive to ensure our students have a campus that allows them the time and environment to be kids! Thanks to a \$200,000 leadership gift from the Kornmann Family, our lower school students will have a new playground behind the Duchesne Building and our upper school students will have a new recreational room in Kenefick Gym.

The Kornmann Family Playground will replace the existing playground with all new equipment, a drainage system to address the water run-off, and enhanced interaction for children ages two through 12. Students can dig in the new sandbox, spin out on the Christmas Tree Spinner, and climb to new heights on the Geo Web.

The Kenefick Recreational Room will be a place for students in grades 7-12 to come together. Whether it's ping-pong, foosball, pinball, or outdoor games like giant Jenga, hillbilly golf, or checkers, the students will love the new space to relax and rejuvenate!

Take a tour of the

702 Bling-It Jewelry Competition

Do you think you have what it takes to craft award-winning jewelry pieces? Now's your chance to sparkle. All participants will work with the master designers at Genovese Jewelers from now until October 2022 to put their ideas into action and bring their custom jewelry design to life. You and a guest will be able to peruse all designs that were submitted over cocktails and hors d'oeurves. The top designs will be unveiled during the party, and you will enjoy an immersive tour where the top three entries will be brought to life in the Genovese studio. The first, second, and third place winners will receive their custom designed piece of jewelry, a \$2,500 retail value. Limited to 10 participants, not including their guests.

Competition Guidelines: A truly beautiful piece of jewelry combines nature's most splendid handiwork with the vision and artistic creativity of the designer and the skill and execution of the fabricating jeweler. This year's Villa Duchesne Bling-It Jewelry Competition aims to honor pieces with the highest levels of creativity, artistry, style, and excellence in jewelry design. We encourage you to express your individuality through the design of a one-of-a-kind jewelry piece. A panel of jewelry experts will judge the entries based on the criteria listed below. These criteria are given equal weight, and winning pieces will successfully balance these four elements. All pieces will be evaluated on the basis of: overall design, marketability, practicality, wearability, and feasibility to manufacture.

The Caregiver Club

A non-profit working to improve the lives of individuals living with Alzheimer's and dementia by supporting their CAREGIVERS.

WE ARE VILLA

THE CAREGIVER

Alicia Behan Christopher '88 & Jodie Condie Finney '97 are excited to join forces and start THE CAREGIVER CLUB.

As caregivers ourselves, we understand how stressful it can be to care for someone with dementia/Alzheimer's disease.

Our cards are here to help!

As a caregiver, you distribute our business-size cards while you are out in public.

They are perfect for restaurant interactions, in an airport, or out shopping.

The cards are meant to inform the individual you are interacting with that you are caring for someone with dementia.

All while maintaining the individual's dignity and pride.

Caregivers wear our buttons with pride to show others they care for an extraordinary person.

The caregiver, family & friends wear our bracelets.

Caregivers are part of a remarkable club doing incredible work.

Welcome to The Caregiver Club.

Happy Golden Jubilee

We want to alleviate the stress and embarrassment of taking a loved one out in public. We believe that with knowledge comes understanding, and with understanding comes compassion.

We want our vision to become a movement. We want to break down the stigma of living with Alzheimer's and dementia by shouting it from the rooftops. We hope caregivers find strength in knowing they are not alone in this journey.

With Love, Passion & Kindness,

Jodie and Alicia
